This research was supported by research fund from Dankook University, Korea, awarded to A.K. Lee in 2014. The authors thank Susan Stieve and Pablo Jourdan, Ornamental Plant Germplasm Center, Ohio State University, Columbus, OH, USA for taking X-ray images and Mark Roh, USA, T.J. Lee, Hantaek Botanical Garden, Korea, and X.W. Wu, China for providing seeds. Critical review and careful editing by Drs. Christopher Catanzaro, Virginia State University, Virginia, USA, and Mark S. Roh, US Department of Agriculture, Agricultural Research Service (retired) and Mokpo National University are greatly appreciated.
